Capt. Roald Amundsen, Arctic explorer, at Camp Wainwright, in his attempt to fly to the North Pole. The photo above shows Capt. Amundsen and the crew of the Arctic trading ship C. S. Holmes, which brought him supplies for the winter. On the right is Amundsen's airplane being taken off the ship at

Pacific & Atlantic.

The fire and vigor that most men lose—he has it back at 59

He was nearly 60. After a severe illness, he was ready to resign himself to old age. And then, like thousands of others, he discovered a simple way to restore the vigor and vitality of perfect normal health.

The fresh living cells of Fleischmann's Yeast contain a natural fcod - with the very elements which help the body perform its two most vital functions:

- -Build up the worn-out tissues from day to day
- -Remove regularly the poisonous waste that accumulates.

Like any other plant or vegetable, yeast produces the best results when fresh and "green"-not dried or "killed." Fleischmann's Yeast is the highest grade living yeast-always fresh. It is not a medicine, it is a natural food. Results cannot be expected unless it is eaten regularly. Eaten regularly day after day, it helps to "tone" up the whole system and assures regular daily elimination.

Everywhere physicians and hospitals are prescribing Fleischmann's Yeast to correct constipation, skin disorders and to restore appetite and digestion.

"Today I am 59 years young"

A recent letter from a westerner tells how, three years ago, he had a severe breakdown. "I was 56 years old," he writes, "and looked about 96. I went out from here to the hospital on a stretcher.

"Today, after 32 months daily use of Fleischmann's Yeast, I am 59 years young-and can outwalk, outrun, outjump, outshoot, and outride any man 30 years my junior."

Eat two or three cakes a day regularly-plain, or spread on crackers, or mixed with water or milk. If you prefer, get six cakes at a time. They will keep in a cool, dry place for two or three days. Begin at once to know what real health means! Be sure you get Fleischmann's Yeast. All grocers have it.
